All children signing up for a new ministry must be signed into class before registration closes at 7:45pm. At 8:00pm, a Spectrum Worker representing each KL7 ministry will pick up the kids from class and take them to their training area. Parents do not have to be present in order for their children to participate. The only prerequisite is a parent's signature on the KL7 ministry application. Pick up your application today!

If you are signing up for a **new or different** ministry, you **must** be present for the training.

If you want to remain in the **same** ministry, you **only** need to turn in a completed application to the box located at the Elementary Check-In Counter.
